PRICE 25 CENTS

NOTICE TO CUSTOMERS

This Catalogue contains the titles and selling prices of all official publications of which copies may be purchased from the King's Printer. The title is usually of a descriptive character, indicating the nature of the contents and cross references are frequently made.

Intending purchasers should be careful to give the exact title of the publication desired and prepayment of charges is required with each order. Remittances by postal money order, express order or accepted cheque made payable to the **Receiver General of Canada** should be mailed to the **King's Printer, Ottawa**. The use of currency for this purpose is contrary to the advice of the postal authorities and entails a measure of risk. Postage stamps and foreign money will not be accepted. The Special War Revenue Act requires that no person shall issue a cheque payable at or by a bank unless there is affixed thereto an excise or postage stamp; cheques up to and including \$100, 3-cent stamp and cheques over \$100, 6-cent stamp.

No extra charge is made for postage on documents forwarded to points in Canada and the United States, but cost of postage is added to the selling price as indicated when publications are to be mailed to other countries.

The present Catalogue includes all publications received in the Department to September 30, 1948, Supplements to the annual catalogue will be issued quarterly for January, April and July in each year.

There appears to be a widespread view that statutes, blue-books and other publications are distributed free of charge by the King's Printer, and it is desirable to correct this impression. In the case of certain publications a limited free distribution is made by the King's Printer under authority of Order in Council.

THE KING'S PRINTER
